

Mission

To honor America's fallen heroes by planting and growing hundreds of "Patriot Trees" - living memorials spawned from collected soil where our fallen patriot's now rest. "Patriot Trees" will be planted in every state across America, and in some of the nation's most historic and inspiring locations including Arlington National Cemetery and on the lawns of the White House and the U.S. Capitol. "Patriot Trees" will serve as nationally recognized living memorials honoring those fallen soldiers whose forfeiture of life continues to keep America free.
